

## mPRO™ZX

### Description:

The ultimate smart fire rated upgrade for your lighting space, Zigbee controlled AOne™ mPROZX. This IP65 direct replacement has a convenient one-step installation process and features a convertible body, with removable driver, for recess voids as low as 56mm. Using Smart Inside the mPROZX can be controlled individually or as part of a group via the App, voice or remote allowing you to create scenes, control spaces and set schedules. The tuneable white feature allows you to control the colour temperature between 2200-5000K.
